1. [REDACTED] LIAISON Peter McGough, GAO, called to say that Charles Wolff, who had a large role in the GAO report on Defense Reconnaissance/Intelligence Assets had been informed by DIA that his clearances would be withdrawn as of 31 January. McGough asked what I knew about it. I told him that when I found out about Wolff's clearances, I reported them to the Special Security Center who in turn ran them back to DIA. Since these clearances had apparently been granted on a temporary basis over nine months ago, and since the study was now pretty well completed, DIA was probably withdrawing the clearances as rapidly as possible. I told McGough that we had not requested the withdrawal.

(Unclassified - DFM) LIAISON Received a call from Stan Taylor, Senate Select Committee on Intelligence staff, who said Senator Jake Garn (R., Utah), in preparation for a planned trip to Geneva, would like a briefing from [redacted] NFAC, on the SALT talks. This was set up for 25 January at 8:00 at Headquarters. Later, however, Taylor called back to say because of health problems, Senator Garn had cancelled his trip to Geneva and the briefing. Taylor also asked me about [redacted] a constituent of Senator Garn's, who had been rejected for employment with the Agency. [redacted] is embittered by his rejection and is apparently discussing a suit against the Agency. In this connection, [redacted] has asked for another letter stating the reasons for his past rejection.

Sanders asked specifically for the effective date of the instruction and for a new copy of the enclosure stating the Committee's copy is difficult to read.

After the meeting, Taylor picked up from me a copy of Mr. Carlucci's financial statement. I told Taylor that the General Counsel had determined there was no conflict of interest regarding Mr. Carlucci's financial statement but that we would wait to deliver the letter stating this until the official nomination letter was sent to the Congress from the White House. 25X1

1. [REDACTED] LIAISON Talked with Keith Raffel, Senate Select Committee on Intelligence staff, who said he was reviewing 1971 Senate Foreign Relations Committee hearings and noted that DCI Helms testified before the Committee on 5 May 1971 on [REDACTED]. Raffel said he called the Senate Foreign Relations Committee office and they said the transcript was held at CIA. Raffel asked to see the transcript and I agreed to look into it.

25X1

2. [REDACTED] LIAISON Talked with Mike Epstein, Senate Select Committee on Intelligence staff, who informed me that he would be traveling tomorrow afternoon to [REDACTED] to meet with [REDACTED]. I told Epstein we would like to have him meet with knowledgeable Agency officers before he makes the trip and we agreed on such a briefing for tomorrow at 11:00 a.m.

25X1

25X1

I told Epstein that [REDACTED] DDO employee who Epstein had asked to interview, was [REDACTED] and therefore was not readily available. Epstein said he had heard [REDACTED] might be returning soon and asked me to check into that.

25X1

3. [REDACTED] BRIEFING Accompanied [REDACTED] 25X1 D/OS, and [REDACTED] OS, to a briefing of Thomas Latimer, Staff Director, House Permanent Select Committee on Intelligence, Pat Long, Mike O'Neil and Dick Giza, all of the staff, on the status of attempts in the Community to decompartmentalize certain information. The discussion covered the program to reduce the classification of TK material in order to give it wider distribution. Latimer requested a copy of one document which we agreed to provide. The briefing was offered in the 28 December 1977 DCI letter to Chairman Edward P. Boland (D., Mass.) on decompartmentalization.

25X1

After the meeting, I discussed with Latimer the issue of document destruction and whether the Select Committee wished to become involved in the Agency's document destruction program. Latimer asked if the moratorium had been imposed by the Pike Committee and I told him it was my understanding it was strictly at the request of Senators Michael J. Mansfield (D., Mont.) and Hugh Scott (R., Pa.). Latimer said that if the Pike Committee was not involved in the establishment of the moratorium he saw no reason for the Committee to become involved at this point. I assured Latimer that the matter had been thoroughly examined by the Senate Select Committee on Intelligence and by the Archivist of the U.S. I also reported to Latimer on Mr. Ted Shackley's, ADDO, briefing of Representative Norman Mineta (D., Calif.). *Approved For Release 2004/06/14 : CIA-RDP81M00980R000400070023-6* been taken care of.
